

## Out There Forest School

### **Job Role Description: Level 3 Forest School Leader**

Main Duties to include:

- Planning, delivering, observing and reviewing a balanced, engaging, accessible, inclusive and fun filled programme of Forest School sessions
- Supporting and appropriately delegating tasks to your session assistant(s)
- The use of careful observation and reflection to scaffold opportunities to develop each participant as appropriate to their needs, strengths and passions.
- Supporting the holistic development of all participants and their families, being flexible and adaptable in order to meet needs and offer support.
- Following Out There Forest School's Policies and Procedures, and to at all times prioritise the safety and wellbeing of participants.
- In time, to begin to seek opportunities to develop your own projects and ideas within the business, for example developing new session types, undertaking higher level training.
- Working entirely outdoors in all weathers and to continually and dynamically assess any emerging risk presented by the weather i.e high winds and act appropriately on your assessments

This description is intended as a guide only to the main duties of this role.
